I didn't like  
girl Bruce introduced at the party  
chris this is Miss Thyme  
wanna know why  
word of the wise  
only close friends call her Annie  
everyone else Miss Thyme  
found out why

she believes in two truths  
there's the things that you'll do  
and the things that you might  
if it charms you

you were right  
forget what I said cuz I lied  
no way  
hear her say  
call her Annie Thyme

cuddle and kind  
not words I would use to describe  
she's showing me signs  
wanna know why  
I didn't mind  
even after she freaked out my friends  
so I left them behind  
found out why

you were right  
forget what i said cuz I lied  
no way  
hear her say

call her Annie Thyme  
sweet surprise  
forget what I said cuz I lied  
no way  
I should stay  
call her Annie Thyme

ya she's great

why didn't you wait  
to introduce me to her  
more than a wish  
too much to miss  
all I can say is

you were right  
forget what I said cuz I lied  
no way  
hear her say  
call her Annie Thyme  
sweet surprise  
forget what i said cuz I lied  
no way  
I should stay  
call her Annie Thyme  
ya that's right  
I'm the kind of freak that she likes  
wants to play  
think I'll stay  
call her Annie Thyme  
sweet surprise  
forget what I said cuz I lied  
that ok  
if I stay  
here with Annie Thyme
