x2 \*yeah yeah yeah yeah dana nana nanananana\*

well maybe we can take our chances, or maybe we can  
see

whats on your mind

i wonder if we look, inside our hearts, exactly what  
we'd find

maybe we could take a lot of pain away

yeah yeah

or maybe we could heal the world today

or maybe, you know, something, i don't, if you do then  
tell me

where do we go from here  
where do we go from here  
where do we go from here  
yeah

where do we go from here  
where do we go from here  
where do we go from here  
god only knows

yeah yeah  
yeah yeah

where where where where  
where do we go from here  
where do we go from here  
where do we go from here  
yeah

where do we go from here  
where do we go from here  
where do we go from here  
god only knows
