Ok, who's ready to jump?

Who is ready to jump?

Who is ready to jump?

One, two, three, let's go

Who is ready to jump?

It's all about the jumping

Put your hands up!

Put your hands up

put your f***ing hands up

Put your hands up

put your f***ing hands up

Put your hands up

put your f***ing hands up

Put your hands up

put your f***ing hands up

Put your hands up

put your f***ing hands up

Put your hands up

put your f***ing hands up

Put your hands up

put your f***ing hands up

Who is ready to jump?

Who is ready to jump?

Who is ready to jump?

It's all about the jumping

One, two, three, let's go

Who is ready to jump?
