You make me crawl, you make me crawl
And I know I'm not getting any younger
But you just don't understand

You bring smiles, how you bring me smiles?
But my world isn't getting any better
You know I see it everyday

Ahora que mama no esta ahi
Un poquito pa huele
Ahora que mama no esta ahi
Un poquito pa huele

You bring me joy, how you bring me joy?
But my heart is revolving in my passion
And there's nothing I can do to be

The way I see
'Cause my love isn't getting any wider
You know I see it everyday

Ahora que mama no esta ahi
Un poquito pa huele
Ahora que mama no esta ahi
Un poquito pa huele

You make me dance, how you make me dance?
And I twirl, yes, I twirl around the world
But I only think of the way we love

You make me love
And I swear, yes, I swear I keep on trying
But I only think of the way I fly

When you make me fly
And I try but I cannot let it go
You know I need it every day

Ahora que mama no esta ahi
Un poquito pa huele
Ahora que mama no esta ahi
Un poquito pa huele

Un poquito pa huele, huele
Un poquito pa huele
Un poquito pa huele, huele
Un poquito pa huele
