I eyed up what you had and yeah that made me
nervous
And that made me kinda sad 'cause maybe you had
earned it
I gave you so much shit but you did not return it
You say I'm just a bitch and yeah I do deserve that

But baby, baby I
Cross my heart hope to die
I'm really gonna try
Oh, oh, oh, oh
Promise I'll make it right
Promise I will be nice
'Cause you only live twice
Oh, oh

Don't put me out if I'm on fire
'Cause maybe I, I deserve it
Kiss that girl and make me cry
'Cause maybe I, I deserve it
I'll drop dead if I die
But maybe I, I deserve it

You start to fight back and I ask where you learned it
Saw your enthusiasm and I tried to curb it
See how mean I was and my stomach starts a-churning
Maybe another day your feelings will return but

But baby, baby I
Cross my heart hope to die
I'm really gonna try
Oh, oh, oh, oh
Promise I'll make it right
Promise I will be nice
'Cause you only live twice
Oh, oh

Don't put me out if I'm on fire
'Cause maybe I, I deserve it
Kiss that girl and make me cry
'Cause maybe I, I deserve it
I'll drop dead if I die

But maybe I, I deserve it

B-b-b-baby I

Cross my heart hope to die

I'm really gonna try

I'm really gonna try

Promise I'll make it right

Promise I will be nice

'Cause you only live twice

Oh, oh

So don't put me out if I'm on fire

'Cause maybe I, I deserve it

Kiss that girl and make me cry

'Cause maybe I, I deserve it

I'll drop dead if I die

But maybe I, I deserve it

Don't put me out if I'm on fire

'Cause maybe I, I deserve it

Kiss that girl and make me cry

'Cause maybe I, I deserve it

I'll drop dead if I die

But maybe I, I deserve it

For every time I told a lie

Baby I, I deserve it

Kiss that girl and make me cry

'Cause maybe I, I deserve it

So basically you're not gonna hear this from me often

But I was wrong yeah,

I was a dick

I was a bitch

I fucked up

It was my fault

I'm sorry

And I guess karma is fair, I deserve everything I get

But go easy on me yeah
