Life - I somehow watch it pass
Like I'm standing behind glass
Staring through a window
Time is slowly fading away
I say goodbye everyday
I'm trying hard to let go

[Chorus]
The world keeps spinning around
But I feel like I'm standing still
The world keeps spinning around
But I feel I'm standing still

I see you in my mind
My memories press rewind
I watch you like a movie
I'll make it day by day
Cause time is all that it takes
Who said love was easy

[Chorus]
The world keeps spinning around
But I feel like I'm standing still
The world keeps spinning around
But I feel I'm standing still

Like I'm frozen in a crowd
People pass me by
I'm screaming out loud
But nobody hears me
Nobody hears me

[Chorus]
The world keeps spinning around
But I feel like I'm standing still
The world keeps spinning around
But I feel I'm standing still

Standing still
Ah oh
