

## Coma Beach "Absurd"

Visit "[Absurd](#)" on [MotoLyrics.com](https://MotoLyrics.com)

You adore what you see  
And what you know  
You're so narrow-minded  
In your everyday show  
You believe there's a life  
A life after death  
And you cling to this  
'Til you draw your last breath

I don't care about what you think  
Since your life is so absurd  
In this brave new fucking world  
And your loathsome lessons stink

You're the only creatures  
That bury the dead  
You write lots of books  
For this world gone mad  
You believe that your friends  
Are with you all day

And their memory of you  
Will never pass away

I don't care about what you think  
Since your life is so absurd  
In this brave new fucking world  
And your loathsome lessons stink

Each day you wake up  
To fight with yourselves  
Being mad in your craze  
For more power and wealth  
Until one dark night  
You're frightened to death  
'Cause your mean little mind  
Has drawn its last breath

I don't care about what you think  
Since your life is so absurd  
In this brave new fucking world  
And your loathsome lessons stink
