The most important part  
Of my identity  
It's in my hands  
I'm waiting  
All tranquillity  
I feel no qualms  
Just firm determination  
Today you'll pay the price  
For unrestrained humiliations

New suit, shoes, shirt and tie  
The best they sell  
My fingernails are pared  
My hair is combed so well  
This part of mine  
It opens up the world for me  
To pull the trigger means complete  
And unreserved felicity

Now I know that I'm immortal  
Now I know I'm free of all  
I always was the one to swallow  
But now I'm gonna make you crawl

I'm on my way  
To give you perfect liberty  
I'll do my best  
To put you out of your misery  
Absolute control's  
My sole intent

Those things I used to see so clearly  
Now I fail to comprehend

Now I know that I'm immortal  
Now I know I'm free of all  
I always was the one to swallow  
But now I'm gonna make you crawl  
And when my mission's done, complete  
I'll give myself a special treat  
And pull the trigger one last time  
To leave this blood-stained pantomime

The most important part  
Of my identity  
It's in my hands  
I'm waiting  
All tranquillity  
I feel no qualms  
I'm waiting  
All tranquillity  
I'm on my way  
I'm waiting  
All tranquillity  
I'll do my best  
I'm waiting  
All tranquillity  
All tranquillity  
All tranquillity  
All tranquillity  
Immortality
