Boil my flesh in your pot of hate
Eat my tongue 'til my memories fade
Stick needles through my eyes
Show me the truth, not fucking lies

Give me real torture
Torture is pain
Give me a real life
Life is pain
Give me real torture
Torture is pain
Give me a real life
Life is pain

Split my face in your mirror of lies
Shoot down my clouds from blissful skies
Break my bones with your hammer of pity
Drag my corpse out of the city

Give me real torture

Torture is pain
Give me a real life
Life is pain
Give me real torture
Torture is pain
Give me a real life
Life is pain

Show me heaven and show me hell
Show me a world that I can't sell
Give me an experience I'll never forget
Eternal life, internally dead

Give me real torture
Torture is pain
Give me a real life
Life is pain
Give me real torture
Torture is pain
Give me a real life
Life is pain
