Locked up in my little bunker
Tranquillity is by my side
But then my thoughts are blown asunder
The jaws of hell are open wide

Like to take a journey
Deep into my mind?
You'll be shocked
At what you'll find

Sometimes when I close my eyelids
I feel like walking on a knife
Until my body's cut into little bits
What a nice end for a life

Like to take a journey
Deep into my mind?
You'll be shocked
At what you'll find

Oh, I really didn't mean to
But you were such a bore
So I cut you into pieces
You can't ignore me any more

Have you ever had the feeling
That this world's not very nice?
Then you'll find it quite appealing
When your brain turns into ice

Like to take a journey
Deep into my mind?
You'll be shocked
At what you'll find

Oh, I really didn't mean to
But you were such a bore
So I cut you into pieces
You can't ignore me any more

Although you were quite stupid
I somehow liked your way

But what will you do tomorrow
When you are dead today?

Oh, I really didn't mean to
But you were such a bore
So I cut you into pieces
You can't ignore
You can't ignore
You can't ignore me any more
