When I want you in my arms  
And I want you and all your charms  
Whenever I want you  
All I have to do is dream  
Dream... Dream...

When I feel blue in the night  
And I need you to hold me tight  
Whenever I want you  
All I have to do is dream

I can make you mine  
Taste your lips of wine  
Any time, night or day  
Only trouble is, gee whiz  
I'm deaming my life away

I need you so that I could die  
I love you so and that is why  
Whenever I want you  
All I have to do is dream  
Dream...
