Ey'ry I get complains from yousorrows my thinkin',
baby I'm your foolbroken dreams all on the flooryou
can't back it up anymore 'cause I found out - love ain't
enough I need devotion - to back it up I found out - love
ain't enough I nedd devotion R1)Back it up baby - I got
to the stop Back it up now - you've been the moral to
pain I stopped Back it up baby - roll it over twice Back it
up now - don't give up I might be something nice I said
don't give up Hold on now it's a shady dayyou've been
cheatin' on my friends saylet little London caught at me
I'm so far and you can't see R2)Back it up baby - I found
out love ain't enough Back it up now - I need devotion
to back it up Back it up baby - I found out love ain't -
enough Back it up now - we all need devotion Solo ---->
R2
