Baby we don't have to say goodnight  
I just stop the tape and press rewind  
Not anyone or anything about you  
Could ever change these feelings

Let's be all of the things  
They said we couldn't be  
Let's take a chance, let's make it right  
You're the only thing keeping me going tonight

Yeah I would do things  
That you couldn't say no to  
(Couldn't say no to)  
Just hold on tight, I'll treat you right  
I promise I'll get you home safe tonight

And I don't know about you  
But I am so into the things we do  
It's a broken heart that scares me  
(You have nothing to fear,  
I'll stay with you my dear)  
It's a broken heart that scares me

Yeah I would do things  
That you couldn't say no to  
(Couldn't say no to)  
Just hold on tight, I'll treat you right  
I promise I'll get you home safe tonight

I just can't stand to be myself  
You could be anyone else  
We've got all night to see  
If this is meant to be  
Just let go, leave your drama in the backseat  
Just let go, just let go of it  
You make this so damn easy

Yeah I would do things  
That you couldn't say no to  
(Couldn't say no to)  
Just hold on tight, I'll treat you right

I promise I'll get you home safe tonight
