"Meet Us Here"

It's your kindness that leads to repentance.
It's your love that draws us to you.
It's your life taken in our place,
Through your mercy, we are made new.
We praise your name Oh Lord,
For you're worthy to be praised.
To you we cry with one voice.

Come fill the place.
Fill our hearts with your praise.

Meet us here.

Take our eyes off ourselves,
Place in us hearts to serve,
Send us your Holy Spirit,
Wipe our joyful tears,
Help us to remain upright,
To walk closer to you,
You are the reason we live,
Our lives we give to you.

God we praise you,
Mercy, patience, kindness, forgiveness.
