"Strength Within"

Time has come.
Time to confront what I have fought with so long.
I have to fight, not conform to myself.
Conform to this world, give into my sin,
Only to fall again.
I won't be held down, cause with God I know
I'm strong and I know that I will overcome.

You've brought me this far but each step I take
Is getting harder, but with each step I take,
I know I'm getting stronger.

God help me to use this truth you've put inside
Cause with your strength I will try.
