Hey
Oh
Hey

My heart's been beaten, scarred and worn out
I played this game with everything in my power
I keep on losing all that I own
Gave up my trust just to end up alone

And here you come asking for my hand
Telling me you're different
And honestly I'll be lying if I said I didn't believe it
You got me feeling hopeful, thinking you might be right
But if this is gonna be one of those lift you high and dry
Go ahead and

Pinch me now, wake me up
Up from what appears to be the perfect dream lover
Pinch me now, wake me up
Don't let me get to the good part if it gonna break my
heart
Pinch me now

Been mistreated, used and abused
Promised myself I wouldn't be another man's fool
If you start hurtin' me just to crack a smile
Till you gave me love, got me cheesing up a storm now

I remember when you told me, you're nothing like the
others
Looked at you like you were bluffing, now I'm a believer
Before I give you everything, before I get caught up
If you don't plan on stayin', walk away and save us both
the trouble
Go ahead and

Pinch me now, wake me up
Up from what appears to be the perfect dream lover
Pinch me now, wake me up
Don't let me get to the good part if it gonna break my
heart
Pinch me now

I am trying to be optimistic but I'm empty baby
People giving in and out, taking what they want and
leaving me
So I've lost patience when it comes to my heart
I rather end it now before the pain starts
So unless you got interest to invest what's in your chest
I suggest you find an exit, it'd be best
If you

Pinch me now, wake me up
Up from what appears to be the perfect dream lover
Pinch me now, wake me up
Don't let me get to the good part if it gonna break my
heart
Pinch me now, wake me up
Up from what appears to be the perfect dream lover
Pinch me now, wake me up
Don't let me get to the good part if it gonna break my
heart
Pinch me now
