He had been untrue  
I had learned of all his lies  
I took a look in her eyes and she caught me by surprise

I threw his shit on the floor  
She rushed me out of the door

He tried to explain  
I didn't do anything

I knew that he was bad  
Never knew just what he had  
I guess I don't have a life  
But I'll find one soon in time

Started crying my eyes out  
I wish we never met  
I never had a regret

I had it up to here  
I can't take this anymore  
She's this crazy now  
There's no telling what's in store

Maybe I should start a life with someone new  
And give up all my hopes for.

I went on a drive  
And he caught me by surprise  
I took a look in her eyes  
And said I need you in my life

I'm in love with him  
I'm in love with her  
You gotta give me the chance
