(Hook)

Up all night, when you west side high
I'm prolly somewhere chilling
Depends on how I'm feeling
We'll be out all night
Riding through the city
When you leave the club girl hit me
I'll be out all night

(Verse)

I'm picking down my outfit,
Just finished dicking down this south chick
Got her hooked to the pole like a trout fish
She used to party but now she just wanna house it
She like me cause them niggas ain't about shit
Got cloaked, got the last nigga austed
Jumped in the truck, now my hand where her blouse is
Smokin on that kush and not the shit that's in your
couches
With the 2, never leave the crib without it
Cause I really know what a drought is
I was next to them keys like a mouse is
My people had to blow for the load, that's a crouch kid
Feels like parcel's, so more than a barksdale cartel
But now you in a dark jail,
When he started on the block thugging, making hard
sales, thinking

(Hook)

Up all night, when you west side high
I'm prolly somewhere chilling
Depends on how I'm feeling
We'll be out all night
Riding through the city
When you leave the club girl hit me
I'll be out all night

(Verse)

Shoot it out with local hustlers
All over local customers
If not them, the folks is cuffin us

We just won houses like the governors
Riding in my mobile guzeler
Headed to my mama house just to see what's up with
her
Then we hit the party make sure all the girls lovin us
Throwing money in the air, you know what's up with us
When we're together shawty there's nothing trouble us
You can keep your ass girl, I'm going for the jugular
Hah, that was such a chuckle up,
But I still sneak her up in club I'm a smuggler
Now I got her in my audemar, when all
I know was a various pop was gone popping doors
I'm fresh from my head to my zappin toes
But I apologize if I got your hoe

(Hook)

Up all night, when you west side high
I'm prolly somewhere chilling
Depends on how I'm feeling
We'll be out all night
Riding through the city
When you leave the club girl hit me
I'll be out all night
