What you know about 20 hours at flight

lady crusha face blusha plus a perm fluffer
body slam ya girl then jump off the turn buckles
ray mysterio an back playing with cheerios
an ya man come home like "who keep eating all of the

I cant wait on you
(I gotta go, I gotta go, oh)
(I got money i gotta make, people i gotta see)
I cant wait on youuu
(I got a date with two ladies , im with a party of three)
I cant wait on youuu
(I gotta go, I gotta go, oh)
(Ya, so i cant hate with yall i got places i gotta be)
