My life is so historical  
You re talking to the oracle  
Am I the prince?  
The question is rhetorical  
People scream my name when I am riding down  
memorial  
Black and orange Chevy like I am playing for the  
Orioles  
Black and white bitch yeah that s my little oreo  
. this is how the story go  
I used to see my past in . Giorgio  
Not thought about myself speaking at the  
Talking about real life shit like the Maury show  
Low book full of pictures that s my portfolio  
Every time I quarter flow talking about  
. I am my own publicist  
Just wrote a book  
Try to find someone to publish it  
Black panther speaking out in public  
Who never cut a brick . Women  
I am the wrong one to cuddle with  
Only show love to the people that I struggle with  
I am doing well but my flow is the sickest  
Plus my name ring bellz like it s Christmas  
my name ring bellz like it s Christmas (repeats)  
I ain t no rapist son living in Babylon

Ask me for weed but even if I had I m blind  
I wouldn t smoke it even if I had the time  
Fuck a pen I use a magic one  
I am in the studio it s usually where the magic it s done  
Yeah nigger berry me at Avalon  
I would have never had a son  
You hear designer phones every time I . on  
The microphone is ringing like a DADa phone  
I am in the hood that you . walk a mile along  
Thought the palace catch me in the battle zone  
Automatic . watch me get my ride along  
The only thing left is ashes and a . of bones  
Yeah everybody knows me  
You murder princess nigger that s like a trophy

Haters wanna ride on me like yo shit  
Cause I got the girl running promote me  
Ice . with the movies but I don t know smoky  
They say my flow is magic and trickery sales  
My name rang louder than the liberty bell
