"Too Insistent"

what's wrong with you?
what is it you want?
what's so special about me
I'm too you marry
&
you're too insistent
you're too insistent
don't you stop and distant
I know not.
why won't you let me go?
why won't you let me go?
just let me go
i'm singing a tiny toe
what's wrong it's been so long,
is it me you're after?
days and nights, and ideas
and no disaster
you're so persistent,
oh we're so persistent.
should we act like people
like
they had seen it all
they're so indifferent, I know not.
why won't you let me go
why won't you let me go
people they want to know.
I'm such a tiny toe.
why won't you let me know?
why won't you let me know?
they want to know
I feel a tiny toe
why won't you let me know
why won't you let me know know
people they want to know.
why don't you let me go
