Odayaka na hikari ga oozora ni KIRAMEKU  
Okiniiri no basho de mitsuketa tsubomitachi

Hoho kusuguru kaze to kotori no oshaberi  
Sotto hitomi tojitara kimi ga afurete kita

Itsu made mo issho ni kono keshiki mitsumetai  
Hohoemi wo arigatou kono mune ni atatameru yo

Ameagari no niiji wo SUKIPPU de watarou  
Ashita mo hareru yo ne unazuita yokogao

Kitto amenochi hare

Sukoshi dake ushiro wo arukitaku naru no  
Kizukarenai you ni ashioto wo soroeta

Yuugure no ORENJI ga setsunaku suru yo ne  
SHOO UINDOU ni naranda hanatachi to sayonara

Itsu made mo kawarazu kono kimochi todoketai  
Tada soba ni iretara sore dake de ureshiku naru

Hikoukigumo fuwari nani wo egaiteku?  
Ashita mo hareru yo ne kasa ha kimi ga mottete

Kitto amenochi hare
