(Verse)

I don't give fuck about shit  
But getting paid

Fuck friends

Niggaz hate too much in the J

Fuck these hoes  
90% of these bitches here are gay

Fuck the world  
Some of the reapest shit I'll ever say

If you mad  
Too bad bitches  
Motherfuck you fag bitches  
GOldigging bitches out  
To juice for the riches

I don't give a fuck about your looks  
Or the shit you can cook  
As far as rap  
Fuck the radio, a Dj and a hook

Your ass can get took like a sex offender in the pen  
I spit my shit twenty  
On a scale of one to ten

Fuck a friend  
Fuck a family  
Motherfuck humanity

I don't give a fuck  
Because nobody gives a damn for me

Blasphemy I spit  
In this world full of bullshit  
Hard for me to believe in the preachers in the pulpit

Living on faith

I'll be dead  
Before I get shit

To be sincere  
Fuck life  
I didn't ask to be here

Rather no-show  
Cuz I don't know when I'll leave here

Mothefuck trust  
Cuz I've been nothing but decieved here

And when I leave here  
You might be shot  
Or then again  
Maybe not  
Cuz niggaz been making up plots  
To do me like Pac

I've already been shot...  
But don't try your luck

You'll get blasted like Howard the duck  
Cuz I don't give a fuck!!!!
