Oh oh people of the earth
Listen to the warning
The Seer he said
Beware the storm that gathers here
Listen to the wise man

I see no day, I heard him say
So grey is the face of every mortal.

When U niggaz die, where U think Ur gonna go
Everybody saying heaven probably isn't gonna show
Cuz people dying everyday and nobody seems to care
They just say "That's the way it is. Nobody said that life
was fair."

As I wake up in the morning
Stop
Walk over and grab the
Glock
Take it to the mirror and envision my melon
Pop
The only thing that probably
Stops
A nigga from pullin' the trigger is my son
I think about him sleeping & kiss him on the forehead.

I go into the living room and then turn on the news
The cleanup in the Gulf
Someone shot up a school
A man got shot in the head over bottle of booze
They murdered Dirty Mike
People are fools
Nobody gives a damn
We just be goin' ham and don't do shit over real shit if
U really just
think about it
Nobody speaks about it
So where U figure out a revolution will be televised?
Preachers won't even preach about it!

(Chorus)

I see no day, I heard him say
So grey is the face of every mortal.

I'm not a Christian rapper
cuz cursing isn't Christian
I'm just a nigga on some real shit if U really listening
I feel God gave me senses to speak and act with
wisdom
Hell I just wanna share 'em
Haters just wanna diss him
I am that fucking Phoenix rising from the blunt ashes
Almost everything around a nigga is tragic, tornadic.
Sending u hating faggots somewhere back over the
rainbow w/ my steel dick in your motherfuckin' mouth
nigga...
No homo
This ain't a porno or promo
This is the intro
Since Da Nickel rules got thrown back out the window.
Now I'm back up in the game; the game's got back
suspensful
Niggaz don't know my name all they just know is just
my shit's dope
Lighting up an incense
Smoking on some indo
Working on some dope shit
Talking to my kinfolk
That's for those inquiring wondering what I've been up
to.
Before that was Da Nickel
Before that it was Phukk U!!!
And now....

I see no day, I heard him say
So grey is the face of every mortal.
