Got-a get up got-a get out got-a get home before the
morning comes
What if Iâ'm late got a big day got-a get home before
the sun comes up
Up and away got-a big day sorry can't stay I got-a
run, run yeah
Got-a get home pick up the phone
Got-a let the people know Iâ'm gonna be late

There was a time when we could dance until a quarter
to ten
We never thought it would end then
We never thought it would end
We used to carry on and drink and do the rock and roll
We never thought we'd get older
We never thought we'd grow cold

But now, got-a get up got-a get out got-a get home
before the morning comes
What if Iâ'm late got a big day got-a get home before
the sun comes up
Up and away got-a big day sorry can't stay I got-a
run, run yeah
Got-a get home pick up the phone
Got-a let the people know Iâ'm gonna be late

Down by the sea she knew a sailor who had been to war
She never even knew a sailor before
She didn't even knew his name
He'd come to town and he would pound it for a couple
of days
And then he'd sail across the bubbly ways
And those were happier days

But now, got-a get up got-a get out got-a get home
before the morning comes
What if Iâ'm late got a big day got-a get home before
the sun comes up
Up and away got-a big day sorry can't stay I got-a
run, run yeah
Got-a get home pick up the phone
Got-a let the people know Iâ'm gonna be late
