Bang, bang, shoot em' up, destiny

Bang, bang, shoot em' up to the moon

Bang, bang, shoot em' up one, two, three

(One, two, three, four!)

I wanted to be a spaceman

That's what I wanted to be

But now that I am a spaceman

Nobody cares about me

Hey mother earth

Won't 'cha bring me back down

Safely to the sea

But 'round and around and around and around

Is all she ever say to me

I wanted to make a good run

I wanted to go to the moon

I knew that it had to be fun

I told 'em to send me real soon

I wanted to be a spaceman

I wanted to be it so bad

But now that I am a spaceman

I'd rather be back on the pad

Hey mother earth

Won't 'cha bring me back down

Safely to the sea

But 'round and around and around and around

Is just a lot of lunacy

(Yeah!)

'Round and around and around and around and around

(So bring me back down)

'Round and around and around and around and around

Safe on the ground

Hey mother earth
Won't 'cha bring me back down
Safely to the sea
But 'round and around and around and around
Is all she ever say to me, yeah
You know I wanted to be a spaceman
That's what I wanted to be
But now that I am a spaceman
Nobody cares about me
Say, hey! You mother earth
You better bring me back down
I've taken just as much as I can
But around and around and around and around
Is the problem of a spaceman
(Ah's!)
