I spend the night in the chair  
Thinking she'll be there but she never comes  
And then I wake up and wipe the sleep from my eyes  
And I rise to face another day without her  
Do do do, do do do do, do do do

It's just no good anymore  
When you walk through the door of an empty room  
And then you go inside and set a table for one  
It's no fun when you spend a day without her  
Do do do, do do do do, do do do

We burst the pretty balloon  
Took us to the moon, it's such a beautiful thing  
But it's ended now and it sounds like a lie  
If I said I'd rather die than live without her  
Do do do, do do do do, do do do

Love is a beautiful thing  
When it knows how to swing and it moves like a clock  
But the hands on the clock tell the lovers to part  
And it's breaking my heart to have to spend a day  
without her  
Do do do, do do do do, do do do

I spend the night in the chair  
Thinking she'll be there but she never comes  
And then I wake up and wipe the sleep from my eyes  
And I rise to face another day without her  
Do do do, do do do do

Can't go on without her  
Do do do, do do do do  
There's no song without her  
It's all wrong without her  
Can't go on without her
