My first, my last, my everything
And the answer to all my dreams
You're my sun, my moon, my guiding star
My kind of wonderful, that's what you are
I know there's only, only one like you
There's no way they could have made two
You're all I'm living for, your love I'll keep for evermore
You're the first, my last, my everything
And with you I've found so many things
A love so new, only you could bring
Can't you see if you, you'll make me feel this way
You're like a first morning dew on a brand new day
I see so many ways that I
Can love you till the day I die
You're my reality, yet I'm lost in a dream
You're my first, my last, my everything
I know there's only, only one like you
There's no way they could have made two
Girl, you're my reality but I'm lost in a dream
You're the first, you're the last, my everything
