Sitting here in the studio,
Always gotta be anywhere we go
Looking that song ...
About love, love, love!
But it's about time for something fun,
I gotta a feeling, I gotta vibe that this is one,
Working on that now the mix is almost
Done, done, done!

Play this on a jukebox, oh
Replay it when the record

Chorus:

If you're driving with the top gear (?)
Turn this on a real love,
Don't take love so
Just gotta move a little bit,
Let the rhythm move you,
Show it if you want to,
When the song comes up on the radio
Turn it up, turn it up, turn it up

It doesn't really matter where you're from,
Music is universal

Need someone say hey what's up?
More, more, more!
If I'm having a bad day at the
Those Caribbean rhythms they ...
I'm feeling in just another day,
It's on, on, on!

So play this on a jukebox, all right!

Replay it when the ...

Chorus:

If you're driving with the top gear (?)
Turn this on a real love,
Don't take love so ..
Just gotta move a little bit,
Let the rhythm move you,
Show it if you want to,

When the song comes up on the radio
Turn it up, turn it up, turn it up!

.....
where everything changes,
Where everything changes
Oh, and full of
And... and then the tension...

Chorus: (x2)
If you're driving with the...
Turn this on a real love,
Don't take love so ...
Just gotta move a little bit,
Let the rhythm move you,
Show it if you want to,
When the song comes up on the radio
Turn it up, turn it up, turn it up!
.... where everything changes,
When the song comes up on the radio
Turn it up, turn it up, turn it up!
Turn it up, turn it up, turn it up!
Turn it up, turn it up, turn it up!
