I'm coming to terms with the fact that im not as strong  
as i lead on  
and im coming to terms with the fact that im wrong,  
sometimes  
and as hard as it is for me to be the person that no  
body wants to see  
i was crawling in my skin  
and hiding in that shell  
and i was dying in my skin  
like laying down in hell  
but now im free-----  
oh now im free yeah woah---  
oh now im hey hey hey  
dont u walk away while i am talking to you  
i still have more to say, i'm only halfway through to you  
to you  
and im coming to terms that true human connections is  
hard to come by  
im coming to terms with the fact that its ok to feel that  
its ok to cry  
and those are the reasons why  
im not crawling in my skin  
or hiding in that shell  
and im not dying in my skin  
or laying down in hell  
yeah now im free---  
oh now im free yeah yeah woah----  
oh now im oh oh oh  
i want you to know it hasnt been so easy  
learning to let go of your perception of me  
your perception  
but im coming to terms with the fact that in life i am  
bound to have self doubts  
im coming to terms with the fact that my road is not  
already mapped out  
and as easy as it would be to take the picture you  
created and turn it into me until i suffocated  
i would be--- i would be-----  
crawling in my skin  
and hiding in that shell  
i would be dying in my skin  
like laying down in hell

but now im free---  
yeah now im free oh now im free oh oh oh oh
