oo-oh-oo-oh-oo-ohhh Na Na Na Na Na
oo-oh-oo-oh-oo-ohhh

hear me out

this is my kings speech, im no where near the end,
if i s-s-s-start a sorry i aint heaven sent,
i messed my life up, and yeah ive been down
im a changed man now Chris Brown,
you know i feel your pain, coz i done been through it,
im Kurt Cobain, but i just couldn't do it,
no point in turning back, just to hit rewind,
back to the future, ma marty mcfly

Inside theres a fire, coz im no longer looking at a
reflection that i admire,
i paint a picture of a fighter, but as im looking back at
me since im a liar
if i should die before i wake, the least that i could ever
say, i made mistakes but held on to my faitthh,

Cause when i look in a mirror i don't even recognize My
Self,
got the heart of a winner,
but looking back at me is someone else.

No Regrets (x2),
No point in crying over yesterday

eh
No Regrets (x2)
cause we ain't even seen the best of days!

oo-oh-oo-oh-oo-ohhh Na Na Na Na Na
oo-oh-oo-oh-oo-ohhh

second verse:
this is my last chance, im on my final straw,
i came so close to b b breaking like a spinal cord,
i came from nothing, some kid in camden,
now im flier than the birds richard branson
I'm a Prince and yes I will get the crown, Kate stays in

my dungeon when her sister's round,
so please forgive me, if i make mistakes,
but il blow the bloody doors off michael caine

if i should die before i wake, the least that i could ever
say, i made mistakes but held on to my faitthh,

Cause when i look in a mirror i don't even recognize My
Self,
got the heart of a winner,
but looking back at me is someone else.

No Regrets (x2),
No point in crying over yesterday

eh
No Regrets (x2)
cause we ain't even seen the best of days!

im freeeeee to be whatever i, coz im famous call me
gallager coz im so shameless,
the papers saw the pages like the cost of my failures,
victimised by the public dont know if i cant take this, so
i sing,

so when you feel like theres no more, nothing left but
the life youve broken, no regrets no turning back,
pick up yourself and tell em im just being me!

Cause when i look in a mirror i don't even recognize My
Self,
got the heart of a winner,
but looking back at me is someone else.

No Regrets (x2),
No point in crying over yesterday

eh
No Regrets (x2)
NO REGRETTTSSSSS

Cause when i look in a mirror i don't even recognize My
Self,
got the heart of a winner,
but looking back at me is someone else.

No Regrets (x2),
No point in crying over yesterday

eh
No Regrets (x2)

cause we ain't even seen the best of days!
