Buddy, you're a boy makin' big noise  
Playing on the street  
gonna be a big man some day  
You got mud on your face  
Big Disgrace  
Kickin' your can all over the place  
Singin'

We will, we will  
Rock you  
So we tell him  
We will, we will  
Rock you

I was just a little boy in a poor man cane  
Sure I was a man in my eyes, down chains  
I had blood in my...fists fool of plaits  
Till my mom came and put me back in my place

Singing  
She will, she will  
Rock you  
She will, she will  
Rock you

We will, we will  
Rock you  
So we tell him  
We will, we will  
Rock you

We will, we will  
Rock you  
So we tell him  
We will, we will  
Rock you  
I told you I can sing

So we tell him

Right here you should heard of me

Cause I`m too sick to surgery  
My name is ringing bells from down it brought to  
Mercury  
I`m not say now I`m Freddy, may my brother rest in  
peace  
I`m not saying I`m the Queens  
But stay here with me

Singing  
We will, we will  
Rock you  
So we tell him  
We will, we will  
Rock you

Legendary  
Yeah!

We will, we will  
Rock you  
So we tell him  
We will, we will  
Rock you

So we tell him  
We will, we will  
Rock you  
So we tell him  
We will, we will  
Rock you

Yeah

So we tell him  
We will, we will  
Rock you!
