I say you look good then you kiss your teeth
You look me up and down as you flick your weave
Rude girl body like the magazine
Bum looking ripe
Like it dropped from the apple tree
I was told I should never hit a lady
But I've never been a doormat
That's the way mum raised me
Katie, Tracy they knew They couldn't keep me
So they tried to keep my baby
See them two are crazy
Alesha was feisty
So I found me the best of both worlds, that's a
lighty
This mutha excites me
The bitch turned Jet Li when she fights me
My yin and yang wifey
My certified rider, that's why I provide her
She says I only love her properly when I'm inside
her
Damn right
I'm a king my sex is on fire
So hush baby girl, be quiet

You're cool
You're nice, you're nice
Living in a fantasy life
Kaching!
Swipe
Ask her, who's shoes would you prefer
Oh boy real life, real talk
Calm down I can hear them Jimmy Choo's when you
walk
You're black, you're white, best of both types
my yin and yang wife
I'm looking for miss ride or die
I'd have a baby and I'll never leave one by my
side
Someone who's loving me for life
I need an attitude girl who can handle my ting right

So you say your the one

You the one, you the one
But if my life was in danger you steal, would you run
Are you down if you are
We can ride through the avalanche
She blew my mind out this world like an avatar
Look I got an ego bigger than your average man
Why should I make the effort
If she don't understand
Yea I made the cheddar but she wants parmesan
Talk trash
Cut the crap I aint a garbage man
Cause anything I say find a way to turn the tables
I ain't saying I'm a sinner or any type of angel
I'm just saying you'll regret it you're ever
unfaithful
It's just you and me G so I beg you just be grateful
Cause anywhere I go you know you got an invitation
I wanna see you there at my final destination
And you don't need a job cause I could be your
occupation
But you f**k around I'll sack your ass without a
resignation

You're nice, you're nice
Living in a fantasy life
Kaching!
Swipe
Ask her, who's shoes would you prefer
Oh boy real life, real talk
Calm down I can hear them Jimmy Choo's when you
walk
You're black, you're white, best of both types
my yin and yang wife
I'm looking for miss ride or die
I'd have a baby and I'll never leave one by my
side
Someone who's loving me for life
I need an attitude girl who can handle my ting right

How do I slow this down
When I'm already in so deep
And the position that you're in's just right
Ooh oh oh oh oh
Show me you can practise what you preach
Hurry up back it up back it up and you'll be gone

You're nice, you're nice
Living in a fantasy life
Kaching!
Swipe
Ask her, who's shoes would you prefer

Oh boy real life, real talk
Calm down I can hear them Jimmy Choo's when you
walk
You're black, you're white, best of both types
my yin and yang wife
I'm looking for miss ride or die
I'd have a baby and I'll never leave one by my
side
Someone who's loving me for life
I need an attitude girl who can handle my ting right
