It's a celebration!
Ohmigod, ohmigod, please!

We can sell this, too, we can sell this to you!
How do you do what you wanna do?
What can I tell you that you want to believe?
What have you got, your knowledge, see?
Blah-blah-blah-blah-blah, but you don't hear me,
though
I know, blah-blah-blah-blah-blah, but you don't hear me
at all

It's a celebration
C'mon everybody, yeah

We can give it away, don't mean what we say
We can joke, we can play, we can joke all day
What can I give you that you would actually need?
What do you wanna be that you could actually be?
And I know, and I know
And I know, and I know
Blah-blah-blah-blah-blah-blah, but you don't hear me at
all
It's a celebration
But you don't hear me, y'all

If you wanna be me, you can be me, really be me
Cats see me, you can look all day, but you still wouldn't
see me
If you wanna be you, you can do that, too
And if you don't, then I don't really know what I can tell
you
