Sometimes time goes so fast
As I look back at my past
For whatâ€™s here today
Can easily just pass away

My heart was an open wound
Casting shadows like the moon
For I was lost away
But I have finally found my way

So come on over, yes over
Iâ€™ll be there for you
Come on over, yes over
Iâ€™m sorry I withdrew
Letâ€™s put the past behind us, and see it through

As I stand in my empty room
Itâ€™s hard to believe itâ€™s true
After all this time
I still hear your echo in my mind

Do you ever think of me
Somewhere in your memory
Even though weâ€™re apart
I hope that you can still open your heart

To come on over, yes over
Iâ€™ll be there for you
Come on over, yes over
Iâ€™m sorry I withdrew
Letâ€™s put the past behind us, and see it through

In the light of the night
And the darkness of the day
I know that love can heal our hearts
If you can find a way

To come on over, yes over
Iâ€™ll be there for you
Come on over, yes over
Iâ€™m sorry I withdrew

Let's put the past behind us, and see it through
