"Into Your Eyes"

I'm all alone
Standing in my so called glory
And you, you are there
Holding on to your story

But I keep on looking, I keep on looking
Into your eyes
I keep on yearning, and keep on longing
For no disguise

I understand
Things can end in a second
Giving in to our whims
And our dark deepest obsessions

But I keep on looking, I keep on looking
Into your eyes
I keep on yearning, and keep on longing
For no disguise

But I keep on looking, I keep on looking
Into your eyes
I keep on yearning, and I keep on trying
To break through the disguise

I keep looking, I keep keep looking
Into your eyes
I keep looking, I keep keep looking
Into your eyes
