All I want is you girl
And I want nobody else
Sometimes I feel all alone
Like you've put me on the shelf
Sail away, sail away with me

Now I might not be strong
But I know what I need
I need you beside me
Honey you hold the key
Sail away, sail away with me
Sail away, sail away with me

Well my heart is an ocean
It's deep with emotion
But I'm out here, waitin' on you
Well now if I had my druthers

There won't be any others
Don't leave me alone here at sea
Sail away with me

Well I'm down at Tommy's bar
Like every night before
Starin' at my whisky
Waitin' for you to walk through the door
Sail away, sail away with me
Sail away, sail away with me

Well my heart is an ocean
It's deep with emotion
But I'm out here, waitin' on you
Now if I had my druthers
There won't be any others
Don't leave me alone here at sea
Sail away with me
