I'm standing here  
On the edge of time  
I keep wondering  
If youâ€™ll be mine

Cause Iâ€™ve got one silver dollar in my pocket  
And the other full of hope  
And if I give up my ways that chased you away  
Then maybe you'll come back to stay

Iâ€™m stranded here  
On the lonely avenue  
I know without you  
Iâ€™m sure to lose

Cause Iâ€™ve got one silver dollar in my pocket  
And the other full of hope  
And if I give up my ways that chased you away  
Then maybe you'll come back to stay

And if you come back now  
Iâ€™ll love you till the end of time  
And if my words donâ€™t come out right  
Iâ€™ll find a way to make them rhyme

Cause Iâ€™ve got one silver dollar in my pocket  
And the other full of hope  
And if I give up my ways that chased you away  
Then maybe you'll come back to stay
