Oh the night  
Gets so lonely  
And I think about you  
My one and only

Take me back, take me back  
Where I belong  
And I tell you, I really need you  
Take me back

Oh the days  
They are so long now  
And I can't help thinkin'  
How I did you wrong

Take me back, take me back  
Where I belong  
And I tell you, I really love you  
Take me back

I want to say now, that I am sorry  
For treating you so unkind  
And I'm hoping, that you'll forgive me  
I said darlin' please change your mind

Oh the night  
Gets so lonely  
And I think about you  
My one and only

Take me back, take me back  
Where I belong  
And I tell you, I really love you  
Take me back
