Well I don't know but I've been told
That we close down as we get old
And I can tell you, that's the way I feel
Take me to Babylon where I may heal

Well all our lives we sweat and toil
Folding in as life unfurls
But the look in your eyes, might give me what I need
Come on honey, don't let me bleed
Come on honey, don't let me bleed

I said the sorrow's in my heart
But the lust is in my soul
So let's move this thing inside
I just need someone to hold

I said the sorrow's in my heart
But the lust is in my soul
So let's move this thing inside
I just need someone to hold

Well I don't know but I've been told
That we close down as we get old
And I can tell you, that's the way I feel
Take me to Babylon where I may heal
Take me to Babylon where I may heal
Câ€™™ mon câ€™™ mon câ€™™ mon take me to Babylon
Câ€™™ mon câ€™™ mon câ€™™ mon take me to Babylon
