When all the signs have turned away, it's just another  
day...of gray

And every day the same  
And every ways the same  
And it seems so plain

oooh a ooh

When the given truth is lost today, it's just another  
day..of gray

And every day the same  
And every ways the same  
And it seems so plain

oooh a ooh

When the simple life begins to fray, it's just another  
day...of gray

And every day the same  
And every ways the same  
And it seems so plain

oooh a ooh

Well I do not worry what others may say,  
'cause tomorrows the same as it would have been oh  
yesterday.

(it's just another day, it's just another day, it's just  
another day...  
of gray)

When wishful thinking is hardened clay, it's just  
another day of gray

And every day the same  
And every ways the same  
And it seems so plain

oooh a ooh

When it's all another trick to play, it's just another day  
of gray

And every day the same  
And every ways the same  
And it seems so plain

oooh a ooh

When desire is all that's left to pay, it's just another day  
of gray

And every day the same  
And every ways the same  
And it seems so plain

oooh a ooh

Well I do not worry what others may say,  
'cause todays the same as it would have been oh  
yesterday.

(it's just another day, it's just another day, it's just  
another day...  
of gray)

When it matters and nothings left to say, it's just  
another day...of gray

And every day the same  
And every ways the same  
And it seems so plain

oooh a ooh

When all you wish for can not stay, it's just another  
day...of gray

And every day the same  
And every ways the same  
And it seems so plain

oooh a ooh

When all that's good has bled away, it's just another  
day...of gray

And every day the same  
And every ways the same

And it seems so plain

oooh a ooh

Well I do not worry what others may say,  
'cause yesterday gone and past away...
