She was so fresh and she was so new
When I met her I wasn't sure what to do
But what she wanted did get through

You shouldn't have to apologize
Just because you were such a surprise
I'm the one who was in disguise

And we are Cold - Fire, and you're a live wire,
I am freezing and you're on fire,
Cold - Fire, and you're a live wire, is that your idea now
of desire,
Cold - Fire, and you're a live wire, why do you have
such strange desires
And we are Cold - Fire...
And we are Cold - Fire...

If you touch me will I give in to what you say
Or should I try to get away
Maybe I will take a chance today

My resistance she does test
When she tells me what she likes the best
And then she puts my hand up under her dress

And we are Cold - Fire, and you're a live wire,
I am freezing and you're on fire,
Cold - Fire, and you're a live wire, is that your idea now
of desire,
Cold - Fire, and you're a live wire, why do you have
such strange desires
And we are Cold - Fire...
And we are Cold - Fire...

I did not want to get involved
But she broke down my resolve
My reasons to resist they did dissolve

She says feel your way while we make it
Give me what is real now, and do not fake it
I just don't know if I can take it

And we are Cold - Fire, and you're a live wire,
I am freezing and you're on fire,
Cold - Fire, and you're a live wire, is that your idea now
of desire,
Cold - Fire, and you're a live wire, why do you have
such strange desires
And we are Cold - Fire...
And we are Cold - Fire...
And we are Cold - Fire...

Cold - Fire...
