It's Dean Raven, yeah yeah
How do I mend a broken heart

Can you tell me where I went wrong
and how do I put it right
will I ever own your heart again
and all the shit we've been through
the promises I made to you
Girl you need to know the don't pretend

I gave you all the love I had to give
so tell me Why it still wasn't enough
without you I got no reason to live
but I promise you I'm never givin up

How do I mend
This broken heart
tell me how i'll rewind us back to the start
How do i mend
This broken heart
and fix our love so we never fall apart
how do I get you and me
The way that we used to be
tell me how i mend a broken heart
how do I get you and me
The way that we used to be
tell me how i mend a broken heart

See I know I made you cry
made a river fall from your eyes
I wish i can change the way you feel
and while I'm down on my knees
Girl I'm begging please
can you see the love we had was real

I gave you all the love I had to give
so tell me Why it still wasn't enough

How do I mend
This broken heart
tell me how I'll rewing us back to the start
how do I mend

this broken heart
and fix our love so we never fall apart
how do I get you and me
The way that we used to be
tell me how i mend a broken heart
how do I get you and me
The way that we used to be
tell me how i mend a broken heart

.....

How do I mend
This broken heart
tell me how I'll rewing us back to the start
how do I mend
this broken heart
and fix our love so we never fall apart

Tell me how do I
Mend my heart
