Invisible, uhuu,
It's Dean Raven!
He seems to hurt you all the time
Baby you know that's a crime,
To make a tear fall from your eyes.
You seem so glad to see that you should be with me
But instead you believe his lies,
I'm gonna need you to know how will this go,
But it seems I'm invisible!

Chorus:
I'm invisible to you no matter what I do,
I'll never be the one that you chose!
I wish I can make you see,
You're better with me,
But it seems I'm invisible.

See, I just don't understand why he is the man,
He don't love I will
I'd give my heart to you and never be untrue,
So tell me why do you stay with him!
I'm gonna need you to know how will this go,
But it seems I'm invisible!

Chorus:
I'm invisible to you no matter what I do,
I'll never be the one that you chose!
I wish I can make you see,
You're better with me,
But it seems I'm invisible.
Invisible uhuu!
I'm invisible to you, to you!

I'm gonna need you to know how will this go,
But it seems I'm invisible!

I'm invisible to you no matter what I do,
I'll never be the one that you chose!
I wish I can make you see,
You're better with me,
But it seems I'm invisible.

Invisible uhuu!
I'm invisible to you, to you!
