This is a man's world  
This is a man's world  
But it would mean nothing  
Nothing without a woman or a girl  
No, no,

See, made me the cause  
To take us over the world  
Made me the dream  
To carry the heavy load  
Made me the legit light  
To take us out of the dark  
Made me the boat of the water  
Like Noah made the ark

This is a man's world  
This is a man's world  
But it would mean nothing  
Nothing without a woman or a girl  
No, no,

Made things about a little baby girl  
And her baby boy  
Made me some happy  
Cause man makes them toy  
And after man's made everything  
Everything that he can  
You know that man makes the money  
To buy from another man

This is a man's world  
This is a man's world  
But it would mean nothing  
Nothing without a woman or a girl  
No, no,  
But it would mean nothing  
Nothing without a woman  
A woman or a girl, oh yeah  
This is a man's world  
Or what's a man world  
But it would mean nothing

Nothing without a woman or a girl  
Oh no,  
You know I need but it would mean nothing  
Oh not a little thing  
Without a woman or a girl

This is a man's world  
This is a man's world  
This is a man's world.
