I know you're somewhere out there
Somewhere far away
I want you back
I want you back
My neighbors think
I'm crazy
But they don't understand
You're all I have
You're all I have

Chorus:
At night when the stars
light up my room
I sit by myself
Talking to the Moon
Try to get to You
In hopes you're on
the other side
Talking to me too
Or am I a fool
who sits alone
Talking to the moon.

I'm feeling like I'm famous
The talk of the town
They say
I've gone mad
Yeah, I've gone mad
But they don't know
what I know
Cause when the
sun goes down
someone's talking back
Yeah, they're talking back

Chorus:
At night when the stars
light up my room
I sit by myself
Talking to the Moon
Try to get to You

In hopes you're on
the other side
Talking to me too
Or am I a fool
who sits alone
Talking to the moon

Do you ever hear me calling?
Cause every night
I'm talking to the moon
Still trying to get to you
In hopes you're on
the other side
Talking to me too
Or am I a fool
who sits alone
Talking to the moon
well I know you're somewhere out there
Somewhere far away
