"Dale Dale" Eh Parampapampam

"Dale Dale" Eh "Quema"!

"Dale Dale" Eh Parampapampam

"Dale Dale" Eh "Quema"!

Parampapampam

"Quema"!

Parampapampam

C'mon c'mon

Let's play forget conversation

Let's break for my situation

Let go from sun down to sun day

I see "a-a-trÃ©vete"

When the beat drops we go parampapampam

All the girls show off their parampapampam

All the boys play on your parampapampam

Everybody here wanna get them some?

Drummer Boy come play us a song

Everyone where-ever you from

Lovers hit us all and along

Marching to the same parampapampam

Drummer Boy wher-ever you are

Hear the sound and beat of my heart

Let the rhythm play till we're done

Marching to the same drum, c'mon

"Dale Dale" Eh

Parampapampam

"Dale Dale" Eh

"Quema"!

Your groove is gettin me tipsy

Swing all around you like a gypsy

Can't help to move to your rhythm shot

I see "no digas que no"

When the beat drops we go parampapampam

All the girls show off their parampapampam

All the boys play on your parampapampam

Everybody here wanna get them some?

Drummer Boy come play us a song  
Everyone where-ever you from  
Lovers hit us all and along  
Marching to the same parampapampam  
Drummer Boy wher-ever you are  
Hear the sound and beat of my heart  
Let the rhythm play till we're done  
Marching to the same drum, c'mon

Parampapampam  
"Quema"!  
C'mon c'mon  
"Dale Dale" Eh Parampapampam  
"Dale Dale" Eh Parampapampam  
"Dale Dale" Eh Parampapampam

Drummer Boy play on, play on

Drummer Boy come play us a song  
Everyone where-ever you from  
Lovers hit us all and along  
Marching to the same parampapampam  
Drummer Boy wher-ever you are  
Hear the sound and beat of my heart  
Let the rhythm play till we're done  
Marching to the same drum, c'mon  
Drummer Boy come play us a song  
Everyone where-ever you from  
Lovers hit us all and along  
Marching to the same parampapampam  
Drummer Boy wher-ever you are  
Hear the sound and beat of my heart ("Oh Dale Dale"!)  
Let the rhythm play till we're done  
Marching to the same drum, c'mon

"Dale Dale" Eh "Quema"!
