### "A Schoolboy's Charm"

Warm like June  
Sweet like Caroline  
And still like leaves  
Dying on the vine  
When the same blank stare  
Hurts more than it should  
And it hurts when you move  
Do you have to be so good?

Do you do you do you  
Do you  
I do I do I do  
I do

And a schoolboy's charm

Is saying what he means  
And it does no harm  
And unravels at the seams  
And the golden tine  
Is twisting in your back  
And it hurts when you move  
Do you want to be like that?

Do you do you do you  
Do you  
I do I do I do  
I do
