Even now
When there's someone else who cares
When there's someone home whos waiting just for me
Even now I think about you as I'm climbing up the stairs
And I wonder what to do so he wont see
That even now
When I know it wasn't right
And I found a better life than what we had
Even now I wakeup crying in the middle of the night
And I can't believe it still could hurt so bad

[Chorus:]
Even now when I have come so far
I wonder where you are
I wonder why it's still so hard without you
Even now when I come shining through
I swear I think of you
And how I wish you knew
Even now

Even now
When I never hear your name
And the world has changed so much since you been
gone
Even now I still remember and the feelings still the
same
And the pain inside of me goes on and on
Even now

Even now when I have come so far
I wonder where you are
I wonder why it's still so hard without you
Even now when I come shining through
I swear I think of you
And God I wish you knew
Some how
Even now
Even now
Even now

Even now
