I need a love that grows
I don't want it unless I know
But with each passin' hour
Someone, somehow
Will be there, ready to share

I need a love that grows
I'm so tired of being alone
But will my lonely heart
Play the part
Of the fool again, before I begin

Foolish heart, hear me callin'
Stop before you start fallin'
Foolish heart, heed my warnin'
You've been wrong before
Don't be wrong anymore

I'm feelin' that feelin' again
And I'm back in the game I can't win
Love's knockin' on the door
Of my heart once more
Think I'll let him in
Before I begin

I need a love that grows
I'm so tired of being alone
But will my lonely heart
Play the part
Of a fool again, before I begin

Foolish heart, hear me callin'
Stop before you start fallin'
Foolish heart, heed my warnin'
You've been wrong, you've been wrong
Foolish heart.....
Stop before you start fallin'
Foolish heart..
You've been wrong before....

Foolish heart, hear me callin'
Stop before you start fallin'

Foolish heart, heed my warnin'
You've been wrong before
Foolish heart...ahhh...

Don't be wrong anymore
hmmm...
Oh foolish
Foolish heart
